Dundee Ski Club

The Objectives of the Club:

Dundee Ski Club was started in 1936 and through its members helped to build Glenshee into a Scottish Ski Centre. Today, Dundee Ski Club exists for its members for the benefit of snow sport, to encourage participation and to promote friendship and social interaction amongst people with this common interest. The club allows people to create a forum to talk about snow sport, organize trips to the Scottish slopes, learn more about the sport through organized training events and attend social gatherings.

Although known as Dundee Ski Club, snowboarders are welcome to join, as we are encouraging an active snowboard section.

Club Activity Days

Monthly Film Nights

Ski related film nights are held once a month in January, February and March at 8.00pm on a Thursday evening, in Broughty Ferry. Refreshments are provided.

An end of season meal and occasional nights out are arranged during the year. This allows members to share the delights of holidays abroad and compare experiences.
