## Glenshee Performance Squad

The latest from the slopes by our special reporter Jimmy Muir.

The people who have made it up to Glenshee so far will understand it has been a blustery start to the 2013/14 season. After a fairly good start the mountain turned against us and made for some tough skiing before finally letting us have fun with the current, plentiful snow.

Due to this, the Glenshee skiers (and boarders) are now having a great season with almost everything open.

The Highlander Freestyle Competition took place at Glenshee on 9th February after being postponed from the previous weekend due to bad weather. The event was a great success. The park was excellent and two of Dundee Ski Club's skier kids, Jimmy and Kirsty Muir, took medals in the under 12 category, Kirsty taking gold. Everyone had a great day, skiing and having a laugh at Glenshee. The other events held that day at Glenshee included the Bairns Races, the BASS races, and the Scottish "Freedom" series, which is a new freeride event series for over 18's, which was held on the South Side of the Cairnwell. Glenshee did a great job to host 4 events on one day, including full car parks of weekend visitors.

So many successful events tells us how good the snow has been.

Here's to a great season and to lots of fun up the hills.

Hope you are enjoying the Winter Olympics.
